5. Account Information for Deposit of Monthly Payout on Merch Sales (OPTIONAL)

NOTE: Marking up our products for sale is optional. For Example:

Merch connect have a standard list price (Sell Price) for your items. If you wish to profit from the sale of your merch, you can choose a markup option. Some companies like Car Clubs, use profit funds from merch to operate their business.

Other companies, such as an Automotive workshop use merch as a form of advertising, which generates funds from there normal routines (Working on Vehicles). This type of business may not want to mark up, as getting the name out is more important. Keeping the cost down on their items enable more buyers to purchase.

A separate page will be sent to you with your products list, Cost price and an option to mark up. This must be signed and retured to Merch Connect before your products will be listed for sale.
